

Fundraising Pack

We rely entirely on people's generous donations to keep our efforts going. We count on volunteers and have very few overheads so every penny raised goes directly to our cause whether that be by buying 40 pairs of children's pants or hiring an arctic lorry to transport our pallets of aid. If you think you want to help us raise some funds, here are some ways you could do it!

Fundraising ideas

Fundraising Ceilidh – In the past our volunteers have done amazing work with organizing ceilidh events, they are a great way to get everyone together to have a good night, raising awareness of our cause and raise some money.

Table sales/ Car boots – If you fancy yourself as a bit of a baker, or just have some stuff around the house that you could get rid of why not look into attending a local car boot sale or fair and let people know the proceeds are going towards a good cause.

Raffles – We have found local business incredibly helpful with all of our fundraising events and so if you think you would be able to get a few prizes together, why not organise a prize draw at a local event.

Collecting Aid – The more we get donated means the more we can send out as aid to people who really need it. If you don't feel comfortable asking people for money you could think of getting family and friends to donate all their unwanted clothing, just remember to check what aid we are asking for at the time.

Get Sponsored – Getting sponsorship for an event is a great way of tackling a physical challenge whilst raising money for a good cause.

Bearing this in mind we want to do everything we can do to encourage you and ensure that you are successful with whatever venture you're taking on. So get in touch!

How can we help you?

We have had an amazing amount of support from across the Highlands and Islands. Through this we have managed to tap into an incredible

network of talented and hard-hardworking people. There are plenty of talented people with great connections who would be willing to help out with your fundraising efforts so get in touch with us and we will see how we can help.

We have (from previous events) **advertising materials** such as banner and posters that anyone is more than welcome to borrow if they think it will help them.

We are happy to shout about your event on our **Facebook and website** which will open it up to a much wider audience.

We have a **crowdfunding** website that allows people to donate money directly to us through your event which takes out some of the hassle for you.

A way for everyone to help
